“Adopt the pace of nature: her secret is patience.”

Ralph Waldo Emerson

Parent Teacher Conferences

Parent Teacher Conferences are scheduled for Thursday, Nov. 7 and Tuesday, Nov. 12 from 4-7:45. This is an opportunity to discuss student progress toward grade level goals. Parents will be able to sign up beginning on October 24 through parent portal. (*If you are a teacher in our district and are also a Wequiock parent, you will be able to sign up on Tuesday, October 22.) Please call our office at 448-2477 if you need assistance with setting up this appointment.

Golden Apple

Each year the Golden Apple program celebrates the quality of education in our community by recognizing the high standards of professionalism, leadership, and innovation in teaching. Nominations for teachers will be accepted until the end of October. Please consider nominating one of our amazing Wequiock teachers and thanking them for the incredible work they do to prepare our children for the future. Forms are available in the main office or through this online [link](#).

Costume Commotion

Mark your calendar for PTO's annual Costume Commotion scheduled for Thursday, October 24th from 6-8 p.m. Parents are welcome to dress up too! Remember-no masks or fake weapons allowed.

Focus on Environmental Science

First graders picked up “tree debris” then worked with a partner to create a woodland critter shelter. They used the natural materials they took from the ground outside, 1 piece of twine, and glue. Students used the Engineering Design Loop to design, create and improve their shelters. The students worked cooperatively and respectfully together.

Student Council

Student Council will be starting up in the very near future. We are excited to share that these young 4th and 5th grade leaders will carry on the traditions of the school by running community drives (i.e. food and/or hygiene drives, Sting Cancer, etc...) and also hosting school events (i.e. silly hat day, friendship week, etc...) In addition, the students will plan events and projects that have a positive impact on our school and community environment.

PTO News

Our next PTO meeting will be held **THIS** Thursday, October 17 from 6-7 p.m. in our Inquiry Lab. Please join us and support your school.
