You learn by doing, and by falling over.”**

Welcome back!

It is with great pleasure that I welcome you to the 2019-2020 school year! It is wonderful to see our classes filled with eager learners. Our first few days have gone swimmingly! Thank you for your help in building routines for your children to help them get back into the swing of school.

Behavior Expectations

At Wequiock, our expectations are simply:

“Be Safe, Be Responsible, Be Respectful”

Classroom teachers have had the opportunity to discuss what each of these expectations 'looks like' and 'sounds like' in various areas of school (i.e. classroom, hallway, bathroom, lunchroom, playground).

Communication

Wequiock newsletters are sent electronically to the email address(es) you provide to our school saving our district lots of paper (and being environmentally friendly)! If you prefer to receive a hard copy of the newsletter, please fill out the form below and return it to your child's teacher. As always, newsletters are posted on our school [website](#).

Focus on Environmental Science

In August, School Care volunteers under the guidance of Brian Frerck, built benches for our outdoor classroom (located by the garden). The benches can fold to become outdoor desks too! Come take a look when you get a minute!

PTO News

Our first PTO meeting will be held **THIS** Thursday, September 19 from 6-7 p.m. in our Inquiry Lab. This is a great opportunity to learn more about our school, ways families can participate, and upcoming events and volunteer opportunities. We hope to see you there!
