**Welcome back!**

What an exciting start to the school year this year! Wequiock is now officially an environmental science focused school. For those of you unable to attend the grand opening, here is a [slideshow](#) that our very own Library Linda created. Thank you Library Linda! Thank you also to the volunteers that helped to make that day very special for us-from spraying the area outside for bugs to bringing fresh flowers in to decorate our new learning areas-the families of Wequiock are what make this place so special! Thank you!

**Behavior Expectations**

I have had the chance to talk with all of the children about our school expectations and am pleased to report that they understand the Wequiock school wide rules:

**"Be Safe, Be Responsible, Be Respectful"**

They are also remembering to exhibit these guidelines in the classrooms, hallways, lunchroom, and on the playground. The children also reviewed the behavior expectations from last year that included hallway line basics and voice volume.

**Communication**

Wequiock newsletters are sent electronically to the email address(es) you provide to our school saving our district lots of paper! If you prefer to receive a hard copy of the newsletter, please fill out the form below and return it to your child's teacher. As always, newsletters are posted on our school website.

**From our Human Resources Department:**

Would you love to have the flexibility to work during school hours and be able to be home when your children are home from school?  
Consider a job as an Elementary School Monitor. We have openings in a variety of our schools. We pay \$16.24 per hour and you are eligible for dental and life insurance as well as sick leave and holiday pay. Positions of 20 hours per week or greater are also eligible for medical insurance. You will be off during the summer and during holiday breaks. You will be rewarded by knowing that you are supporting students to do their best each day.  
If interested, please apply on WECAN:  
<https://wecan.education.wisc.edu/#/>  
If you have any questions, please call Randy Etten, Director of Human Resources at (920) 448-3588 or email him at [rwetten@gbaps.org](mailto:rwetten@gbaps.org).

**Upcoming Events**

- Friday, Oct. 5 Popcorn Friday
- Thursday, Oct. 11 Picture Day!
- Friday, Oct. 12 Early Release (1:45 p.m.)
